ÜBER-INSPECTED, CERTIFIED, WITH NO-COST MAINTENANCE. WHAT ARE WE THINKING?

We think our Certified Pre-Owned vehicles are pretty remarkable. So for a limited time, you'll enjoy our BMW no-cost maintenance plan. That means you'll pay nothing for maintenance for up to 6 years or 100,000 miles. Or if you'd prefer, take advantage of our 0.9% financing. The choice is yours. But remember, before these exceptional offers, before the rigorous certification, and before the exceptional value, first, it's a BMW.

These offers are valid only for qualified customers who finance a Certified Pre-Owned BMW through BMW Financial Services and a participating BMW Center. Not all BMW Centers participate. To qualify, you must enter into a retail installment sale contract between February 2, 2010 and March 31, 2010 at a participating BMW Center. *The free maintenance offer is valid for up to 6 years or 100,000 miles from the original in-service date, whichever comes first, on 07 MY 3, 5 and 7 Series CPO models using standard BMW Financial Services rates. Only certain contract lengths are eligible. Contact your local BMW center for participation details and vehicle availability. ** Financing starting at 0.9% APR is available on Certified Pre-Owned 2007 model year 3, 5, 6, 7, X3, X5 or Z4, and on 2008 model year 3 and 5 series (M models excluded). Financing starting at 3.9% APR is available on Certified Pre-Owned 2007 M models. ***Protection Plan, backed by BMW, provides coverage for 2 years or 50,000 miles (whichever comes first) from the date of the expiration of the 4-year/50,000-mile BMW New Vehicle Limited Warranty.
